

admire™ air 7000

one-touch air-threading coverlock machine

PFAFF
Perfection starts here.™

FEATURES AND BENEFITS

One-Touch Electronic Air-Threading Loopers

With the PFAFF® *admire*™ air 7000 one-touch air-threading feature, you can effortlessly thread the machine loopers with the simple push of a button.

Color Touchscreen

Select your stitch, and the optimal thread tensions, recommended stitch length, and more are set automatically.

Exceptional Lighting

Exceptional illumination of the sewing area for optimal visibility - 60% brighter than competition.*

Free Arm

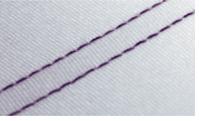

The free arm provides easy access for smaller projects like cuffs, hems and children's clothing.

Knee Lift

Hands-free presser foot lift for ease and control.

26 Stitches

The 5/4/3/2 thread stitch capability provides 26 different stitch options for a wide range of stitch techniques.

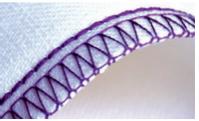

Coverstitch

Triple coverstitch and double coverstitch narrow and wide for activewear, hems and decorative applications.

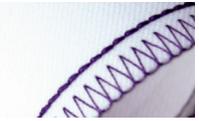

Chainstitch

Seam finishing and decorative edges.

5-Thread Safety Stitch (Wide and Narrow)

A chainstitch and 3-thread overedge for durable, professional seams.

4-Thread Safety Stitch (Wide and Narrow)

A chainstitch and 2-thread narrow or wide overedge for durable seams.

3-Thread Picot Edge

Delicate finish for edges on lightweight fabrics.

4-Thread Overlock

Seams and seam finishing.

3-Thread Overlock (Wide and Narrow)

Seam finishing and decorative edges.

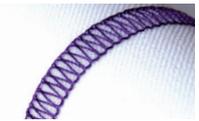

3-Thread Narrow Edge

Fine, narrow hems and edging.

3-Thread Rolled Edge

Rolled hems and edges.

3-Thread Flatlock (Wide and Narrow)

Flat seams and decorative embellishment.

3-Thread Stretch Overlock

Seams on super stretch fabrics.

3-Thread Wrapped Overlock (Wide and Narrow)

Edge finish for lightweight fabrics.

2-Thread Overlock (Wide and Narrow)

Overcasting for single layer of fabric.

2-Thread Wrapped Edge Overlock (Wide and Narrow)

Edge finish for lightweight fabrics.

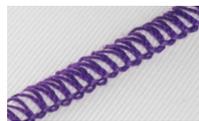

2-Thread Rolled Edge

Edging on lightweight fabrics.

2-Thread Narrow Edge

Fine, narrow hems and edging.

2-Thread Flatlock

Flat seams and decorative embellishment.

Extension Table Included

Large, level work surface provides 12" (30cm) of additional space.

Stability

A reinforced frame makes the PFAFF® *admire*™ air 7000 stable for sewing fabrics from lightweight to heavy.

Auto Tension

Automatic tension gives you the optimal result for every stitch. You also have the ability to fine tune the tension for special techniques, threads or fabrics.

Large C-Space

The C-space is 64mm high and 123mm wide, providing ample room when sewing larger projects.

Stitch Memory

Save personal stitch settings for future use.

Speed Control

Set the maximum speed as desired so you can sew with confidence.

Built-in Tweezer and Scissors Holder

Your tweezers and scissors have their special spot with built-in holders on the thread guide.

Built-in 2-Thread Converter

Fast and easy conversion to 2-thread sewing mode.

Differential Feed

Perfectly even seams with no distortion.

Electronic Piercing Power

Stitch-by-stitch control with full piercing power at all speeds.

Stitch Safety Lock

Machine will not sew if front cover is open or if presser foot is raised.

Adjustable Presser Foot Pressure

Ensures smooth fabric feed for a wide range of fabric thicknesses.

Threading Guides for a Wide Range of Thread Types

Thread guides accommodate standard overlock thread or heavier decorative threads with ease.

Adjustable Stitch Length

Set stitch length for various fabrics and techniques.

Adjustable Cutting Width

Sew neat edges on a wide range of fabric types.

Extra Presser Foot Height

Easily accommodates thicker layers and heavyweight fabrics.

Snap-on Presser Feet

Change presser feet with the simple push of a button.

Universal Standard Presser Foot

The Universal Standard Presser Foot that is included with the PFAFF® *admire™* air 7000 coverlock machine can be used with all of the machine's stitches.

Tension Release

Threads pull easily when presser foot is up.

Integrated Thread Cutter

Quickly and easily trims your thread chain.

Movable Upper Cutter

Disengage the upper cutter for specialty techniques.

Waste Tray

Attachable waste tray to catch fabric trimmings.

Soft Grip Handwheel

The soft grip handwheel provides optimal comfort and control.

Carry Handle

For convenience when transporting your coverlock machine.

Accessories Included

Spool holders, spool caps, thread nets, tweezer, needle threader, allen key, screw driver, lint brush, sewing machine oil, knife blade for upper cutter, stylus, coverstitch table, knee lifter, accessory storage box, threading wire, foot control, waste tray, soft dust cover, pack of needles, pivot pin for circular stitching, and extension table.
